

2022 RETROFIT CUSTOM REBATE WORKSHEET

Please complete and submit this worksheet if you are applying for a custom rebate through the POWER MOVES® C&I Custom Program. For instruction on how to apply, please see **pages 6-7** of the application. Custom Rebate rules and requirements can be found on **pages 23-24** of the application and below. You may download additional copies of this worksheet from **PowerMoves.com**.

CUSTOM REBATES REQUIRE PRE-APPROVAL

Rebate Amounts

- Lighting and lighting controls projects are calculated using \$.05/kWh saved in the first year.
- Non-lighting projects are calculated using \$.08/kWh saved in the first year.

STEP 1: SEEKING PRE-APPROVAL *(please also complete Pre-Approval Signature information on page 2)*

This application submission is a **REQUEST FOR PRE-APPROVAL** of funds for a project that is **NOT YET COMPLETE**.

Date submitted for pre-approval of funds reservation:

RELEASE OF MEMBER USAGE INFORMATION

Applicant named above expressly gives permission to the electric cooperative named on the front page of this rebate application to release the last three years of kWh and kW usage data to the POWER MOVES® program for the sole purpose of evaluating this rebate application to determine a rebate offer. This data will be held confidentially and securely.

This Custom program requires POWER MOVES® Program pre-approval prior to purchase of equipment. Please allow up to 4 weeks from the time of submission to receive pre-approval.

CERTIFICATIONS AND SIGNATURE

Submission of this form verifies that the applicant has provided accurate information to participate in the program. Applicant further certifies that:

1. All rules and requirements of this program have been followed.
2. Applicant is a non-residential member of an electric cooperative member of Wabash Valley Power Alliance.
3. The rebated equipment has been installed and is operational prior to final submission of this application, unless this is being submitted as a pre-approval application.
4. A member electric cooperative of the Wabash Valley Power Alliance is providing the electric service to the installation site address listed on this application.
5. Applicant understands and agrees that neither Wabash Valley Power Alliance nor its member electric cooperatives assumes any responsibility or liability arising out of or related to applicant's participation in the POWER MOVES[®] program.
6. Applicant will allow inspection of the rebated equipment (if requested).
7. Applicant understands applicant will not receive a rebate if applicant's contractor fails to provide the requested documentation for the equipment installed in the applicant's facility.
8. It is understood that:
 - ✓ Rebates cannot exceed:
 - \$50,000 per calendar year per C&I member. Over cap requests will be considered but are not guaranteed, and should be made in writing to the POWER MOVES[®] Program Manager.
 - 50% of the project's cost.
 - ✓ Paybacks must fall between 1-7 years.
 - If the calculated rebate will provide the member a project cost payback of less than 1 year, the rebate will be reduced to achieve a 1 year payback.
 - If the project cost payback is greater than 7 years, no rebate will be paid.
9. Projects will need to follow basic POWER MOVES[®] specifications as listed in the other applications and will be based on the type of custom project. Contact your energy engineer for specific requirements for your project.
10. If you change equipment from what was pre-approved, we reserve the right to reduce or deny any rebate amount.
11. Self-installed labor cannot be included in the project cost.

If signing in a capacity other than an individual capacity, the individual signing below hereby represents and warrants that s/he is duly authorized to execute and deliver this application on behalf of the applicant.
