

KANKAKEE VALLEY RURAL ELECTRIC
MEMBERSHIP CORPORATION

APPENDIX C

SWITCH CREDIT: (Applicable to all Class 1 rate schedules)

For members of the REMC with central air conditioners who are participating in the Load Management Program of the REMC. The member understands the principle of operations set forth by the REMC.

A credit on the member's electric bill will be shown separately.

RATE SCHEDULE – CENTRAL AIR CONDITIONERS:

A credit of \$10.00 per switch for the months of June, July, August and September will be applied to the monthly electric bill. The REMC or its assignees may at its discretion control switches when deemed necessary.

RATE SCHEDULE – WATER HEATERS:

A credit of \$5.00 per switch for all months will be applied to the monthly electric bill. The REMC or its assignees may at its discretion control switches when deemed necessary.

SWITCH CREDIT: (Applicable to all CSP and CISP rate schedules)

For members of the REMC with irrigation, drainage pumps, or grain drying who are participating in the Load Management Program of the REMC. The member understands the principle of operations set forth by the REMC. Members must provide 120/240v control circuit for REMC load control switch. The load control switch must disable all motors/phase converters from utilizing service during the control period. The REMC or its assignees may at its discretion control switches when deemed necessary.

A credit on the member's electric bill will be shown separately.

RATE SCHEDULE – CISP:

A credit of \$50.00 per switch for all months will be applied to the monthly electric bill. The REMC or its assignees may at its discretion control switches when deemed necessary.

EFFECTIVE: January 1, 2022
